1 General

1.1 Description

Each Bond evidenced by this certificate is one of a duly authorised issue of debt securities of Just Eat Takeaway.com N.V., a limited liability company (*naamloze vennootschap*) incorporated under the laws of The Netherlands (the “**Issuer**”), designated as its €600,000,000 zero coupon convertible bonds due 2025 (the “**Bonds**”, which expression shall include any Further Bonds issued pursuant to Section 15.6). The Bonds will mature on 9 August 2025 (the “**Maturity Date**”). The Bonds are issued in denominations of €100,000 each. The Bonds are constituted by a Trust Deed (the “**Trust Deed**”) dated 9 February 2021 between the Issuer and Stichting Trustee Just Eat Takeaway.com II (the “**Trustee**” which expression shall include all persons for the time being the trustee or trustees under the Trust Deed) as trustee for the holders of the Bonds. The Issuer has also entered into a paying, transfer and conversion agency agreement (the “**Agency Agreement**”) dated 9 February 2021 with ABN AMRO Bank N.V., as principal paying, transfer and conversion agent (the “**Principal Paying, Transfer and Conversion Agent**”), Bank of America Europe Designated Activity Company, as registrar in respect of the Bonds (the “**Registrar**”), the other paying and conversion agents named therein (the “**Conversion Agents**” and, together with the Principal Paying, Transfer and Conversion Agent and the Registrar, collectively, the “**Agents**”, which term shall include successors and assigns of any such Agent as the context requires) and the Trustee. The holders of the Bonds are entitled to the benefit of, are bound by, and are deemed to have notice of, all the provisions of the Trust Deed and are deemed to have notice of those applicable to them of the Agency Agreement. The Issuer has also entered into a calculation agency agreement dated 9 February 2021 (the “**Calculation Agency Agreement**”) with Conv-Ex Advisors Limited (the “**Calculation Agent**”, which expression shall include any successor as calculation agent under the Calculation Agency Agreement) whereby the Calculation Agent has been appointed to make certain calculations in relation to the Bonds. Copies of the Trust Deed, Agency Agreement and Calculation Agency Agreement are available for inspection by holders of the Bonds during usual office hours at the office of the Trustee at Hoogoorddreef 15, 1101 BA Amsterdam, the Netherlands, and at the specified offices of the Principal Paying, Transfer and Conversion Agent and the Registrar.

1.2 Definitions

Capitalised terms used herein are defined in Section 14. Capitalised terms used but not defined in these terms and conditions (these “**Conditions**”) shall have the meanings attributed to them in the Trust Deed unless the context requires otherwise or unless otherwise stated.

2 Status of the Bonds and Negative Pledge

2.1 Status

The Bonds constitute direct, unconditional, unsubordinated and (subject to Section 2.2) unsecured obligations of the Issuer and shall at all times rank *pari passu* and without preference among themselves and at least equally with all other unsecured and unsubordinated obligations of the Issuer, present and future (subject to any obligations preferred by mandatory provisions of law).

2.2 Negative Pledge

So long as any Bond remains outstanding (as defined in the Trust Deed), the Issuer will not, and will ensure that none of its Material Subsidiaries will, create or permit to subsist any mortgage, charge, lien, pledge or other security interest, upon the whole or any part of its present or future undertaking, assets or revenues (including any uncalled capital) to secure any Capital Markets Indebtedness or to secure any guarantee or indemnity in respect of any Capital Markets Indebtedness, without at the same time or prior thereto providing the Bonds with the same security as is created or subsisting to secure any such Capital Markets Indebtedness, guarantee or indemnity or such other security as either (i) the Trustee shall in its absolute discretion deem not materially less beneficial to the interests of the Bondholders or (ii) shall be approved by an Extraordinary Resolution of the Bondholders.

In this Section 2.2, “**Capital Markets Indebtedness**” means any present or future indebtedness (whether being principal, interest or other amounts) which is in the form of, or represented or evidenced by, bonds, notes, debentures, loan stock or other securities, whether issued for cash or in whole or in part for a consideration other than cash, which for the time being are, or are intended to be or capable of being, quoted, listed or dealt in or traded on any stock exchange or over-the-counter or other securities market.

3 Payments

3.1 Principal

Unless previously redeemed, converted, settled or purchased and cancelled as provided herein, the principal amount of each Bond will be payable on the Maturity Date. The amount due on the Maturity Date shall be 100 per cent. of its principal amount (the “**Redemption Price**”).

3.2 Interest

The Bonds do not bear interest.

3.3 Due Date not a Business Day

Notwithstanding any other provision of the Bonds or the Agency Agreement, if the date on which any principal or other payment obligation is due falls on a day that is not a Business Day, the Issuer shall have until (and including) the next succeeding Business Day to satisfy its payment obligation, and any such payment shall be given the same force and effect as if made on the date on which such principal or other payment obligation was due. Bondholders shall not be entitled to any interest or other payments for such delay.

3.4 Overdue Payment Obligations

Any overdue principal of the Bonds, or any other overdue amount on any payment obligation hereunder, will bear interest payable on demand at a rate per annum equal to EURIBOR but not less than zero, from and including the date of default to but excluding the date when paid.

3.5 Payment Procedures

The Issuer will, unless otherwise specified in these Conditions, discharge its payment obligations hereunder by paying to the Principal Paying, Transfer and Conversion Agent under the Agency

Agreement, and causing the Principal Paying, Transfer and Conversion Agent to tender to each Bondholder, on or before the due date thereof for value as of such due date an amount of euros in immediately available funds that is sufficient to satisfy such payment obligation. All amounts payable to any Bondholder hereunder, or to the Principal Paying, Transfer and Conversion Agent under the Agency Agreement will, unless otherwise specified in these Conditions, be paid to such account as appears on the Bonds Register at 5:00 p.m. (local time in the place of payment) on the date falling five Business Days before the due date for any payment or as the Principal Paying, Transfer and Conversion Agent shall notify to the Issuer, as the case may be, in accordance with the terms of the Agency Agreement. Bonds in certificated form shall be presented and surrendered for payment on maturity at the office of the Principal Paying, Transfer and Conversion Agent or such other establishment as notified to the Bondholders from time to time in accordance with Section 15.7.

4 Redemption

4.1 Redemption at the Option of the Issuer

On giving not less than 30 nor more than 60 days' notice (an "**Optional Redemption Notice**") to the Principal Paying, Transfer and Conversion Agent, the Trustee and to the Bondholders in accordance with Section 15.7, the Issuer may elect to redeem all but not some only of the Bonds on the date (the "**Optional Redemption Date**") specified in the Optional Redemption Notice at the Redemption Price:

- (a) at any time on or after 24 August 2023, if the Parity Value on each of at least 20 Trading Days in any period of 30 consecutive Trading Days ending not more than seven Trading Days prior to the giving of the relevant Optional Redemption Notice, shall have equalled or exceeded €130,000, as verified by the Calculation Agent; or
- (b) at any time if, prior to the date the relevant Optional Redemption Notice is given, Conversion Rights shall have been exercised and/or purchases (and corresponding cancellations) and/or redemptions effected in respect of 85 per cent. or more in principal amount of the Bonds originally issued (which shall for this purpose include any Further Bonds).

On the Optional Redemption Date, the Issuer shall redeem the Bonds at their Redemption Price.

4.2 Redemption at the Option of Bondholders upon a Change of Control

Following the occurrence of a Change of Control, the holder of each Bond will have the right to require the Issuer to redeem that Bond on the Change of Control Put Date at its Redemption Price. To exercise such right, the holder of the relevant Bond must deliver such Bond if in certificated form to the specified office of the Principal Paying, Transfer and Conversion Agent or any Conversion Agent, together with a duly completed and signed notice of exercise in the form for the time being current obtainable from the specified office of the Principal Paying, Transfer and Conversion Agent or any Conversion Agent (a "**Change of Control Put Exercise Notice**"), at any time during the Change of Control Period. The "**Change of Control Put Date**" shall be the fourteenth calendar day after the expiry of the Change of Control Period.

Payment in respect of any such Bond shall be made by transfer to a euro account with a bank in a city in which banks have access to the TARGET System as specified by the relevant Bondholder in the relevant Change of Control Put Exercise Notice.

A Change of Control Put Exercise Notice, once delivered, shall be irrevocable and the Issuer shall redeem all Bonds the subject of Change of Control Put Exercise Notices delivered as aforesaid on the Change of Control Put Date.

Within 14 calendar days following the occurrence of a Change of Control, the Issuer shall give notice thereof to the Principal Paying, Transfer and Conversion Agent, the Trustee and the Bondholders in accordance with Section 15.7 (a “**Change of Control Notice**”). The Change of Control Notice shall contain a statement informing Bondholders of their entitlement to exercise their Conversion Rights as provided in these Conditions and their entitlement to exercise their rights to require redemption of their Bonds pursuant to this Section 4.2.

The Change of Control Notice shall also specify:

- (a) all information material to Bondholders concerning the Change of Control;
- (b) the Conversion Price immediately prior to the occurrence of the Change of Control and the Change of Control Conversion Price applicable pursuant to Section 5.4(c) during the Change of Control Period on the basis of the Conversion Price in effect immediately prior to the occurrence of the Change of Control;
- (c) the Closing Price of the Shares as at the latest practicable date prior to the publication of the Change of Control Notice;
- (d) the Change of Control Period;
- (e) the Change of Control Put Date; and
- (f) such other information relating to the Change of Control as the Trustee may reasonably require.

The Trustee shall not be required to monitor or take any steps to ascertain whether a Change of Control or any event which could lead to a Change of Control has occurred or may occur and will not be responsible or liable to Bondholders or any other person for any loss arising from any failure by it to do so.

4.3 Optional Redemption Notices

The Issuer shall not give an Optional Redemption Notice at any time during a Change of Control Period or an Offer Period or which specifies a date for redemption falling in a Change of Control Period or an Offer Period or the period of 21 days following the end of a Change of Control Period or Offer Period (whether or not the relevant notice was given prior to or during such Change of Control Period or Offer Period), and any such notice shall be invalid and of no effect (whether or not given prior to the relevant Change of Control Period or Offer Period) and the relevant redemption shall not be made.

Any Optional Redemption Notice shall be irrevocable. Any such notice shall specify (i) the Optional Redemption Date which shall be a Business Day, (ii) the Conversion Price, the aggregate principal amount of the Bonds outstanding and the Closing Price of the Shares, in each case as at the latest practicable date prior to the publication of the Optional Redemption Notice and (iii) the last day on which Conversion Rights may be exercised by Bondholders.

“**Offer Period**” means any period commencing on the date of first public announcement of an offer or tender (howsoever described) by any person or persons in respect of all or a majority of the issued and outstanding Shares and ending on the date that offer or tender ceases to be open for acceptance or, if earlier, on which that offer or tender lapses or terminates or is withdrawn.

5 Conversion Rights

5.1 Conversion Rights and Conversion Price

(a) *Conversion Rights*

Subject as provided in these Conditions, each Bond shall entitle the Bondholder to require the Issuer to, provided that the relevant Conversion Date falls during the Conversion Period, convert each Bond into the relevant number of Shares as provided in Section 5.3 (“**Conversion Rights**”), as determined by the Calculation Agent by reference to the conversion price (the “**Conversion Price**”) in effect on the relevant Conversion Date.

Subject to and as provided in these Conditions, Conversion Rights may only be exercised from (and including) the Closing Date until (and including) the earlier of (a) the seventh Business Day preceding the Maturity Date or (b) if the Bonds have been called for redemption prior to the Maturity Date, the seventh Business Day preceding the relevant redemption date.

The period during which Conversion Rights may (subject as provided herein) be exercised by a Bondholder is referred to as the “**Conversion Period**”.

(b) *Conversion Price*

The initial Conversion Price is €135.5750 per Share. The Conversion Price is subject to adjustment in the circumstances described in Section 5.4.

5.2 Procedures for Exercising Conversion Rights

(a) *Delivery of Conversion Notice on exercise of Conversion Rights*

Subject to the terms and conditions of this Section 5.2, each Bondholder may exercise its Conversion Rights by giving at its own expense to the Conversion Agent a conversion notice (and, if required under Section 5.2(c) below, the relevant Bond certificate) substantially in the form set forth in the Agency Agreement (a “**Conversion Notice**”). The Business Day following the day on which such Conversion Notice shall have been received (or, if such day is not a Business Day, the following Business Day) by the Conversion Agent shall be the “**Conversion Date**” and shall be deemed to be the date on which Conversion Rights have been exercised. Copies of the Conversion Notice can be obtained during normal business hours at the registered office of the Conversion Agent. Shares to be delivered following an exercise of Conversion Rights will be delivered as provided in Section 5.3(c). Once delivered to the Conversion Agent, a Conversion Notice will be irrevocable unless an Event of Default shall have occurred and is continuing on the Delivery Date, in which case the relevant Bondholders shall be entitled to revoke the relevant Conversion Notice by giving notice to the Conversion Agent.

(b) *Write-down of Global Bond Certificate*

If the Bondholder is a Central Securities Depository (as defined below) and the certificate evidencing the Bonds being converted is the Global Bond Certificate, the Bondholder must certify to the Conversion Agent that the principal amount of such global certificate will be written down upon the conversion to reflect such conversion as provided in the Agency Agreement.

(c) *Surrender of Bond Certificates*

Any other Bondholder must surrender any certificate evidencing the Bonds being converted to the Conversion Agent on or before the Conversion Date.

5.3 Delivery of Shares

(a) *Delivery of Shares*

Where Conversion Rights shall have been exercised by a Bondholder, the Issuer shall deliver to the relevant Bondholder such number of Shares equal to the Reference Shares in respect of such exercise, thereby satisfying by way of set off the obligation to pay up the issue price of the Shares (which issue price shall be equal to the principal amount of the Bonds to be converted).

(b) *Fractions*

Fractions of Shares will not be issued or transferred and delivered and no cash payment or other adjustment will be made in lieu thereof.

If a Conversion Right in respect of more than one Bond is exercised at any one time such that Shares to be issued or transferred and delivered in respect of such exercise are to be delivered to the same person, the number of Shares to be issued or transferred and delivered in respect thereof shall be calculated by the Calculation Agent on the basis of the aggregate principal amount of such Bonds, and rounded down to the nearest whole number of Shares in accordance with, and subject to, the definition of Reference Shares.

(c) *Procedures for Delivery of Shares*

Following the exercise of Conversion Rights by a Bondholder, the Issuer shall deliver, or procure the delivery, to the relevant Bondholder the Reference Shares (if any) on the relevant Delivery Date by crediting the account with the financial institution specified by the Bondholder in the relevant Conversion Notice with the Reference Shares, for so long as Euronext Amsterdam is the Relevant Exchange. If Euronext Amsterdam is not the Relevant Exchange, then delivery of the Reference Shares following the exercise of Conversion Rights shall be made in such manner and through such clearing system or depository or other arrangement or facility as may be customary at the relevant time for delivery and settlement of transactions in the Shares on the Relevant Exchange at such time, as may be notified by the Issuer to the Bondholders.

All Shares delivered to Bondholders on exercise of Conversion Rights will be fully paid and non-assessable on the relevant Delivery Date. In these Conditions, “**non-assessable**” (which term has no equivalent in Dutch) means that neither the Issuer nor any other Person has any right to require the holder of a Share to pay to the Issuer or any other Person any additional or further amount solely as a result of its holding of such Share.

“**Delivery Date**” means, in respect of any exercise of Conversion Rights, the date on which the relevant Reference Shares are issued or transferred and delivered to the relevant Bondholder, which shall be no later than the date falling five Trading Days following the relevant Conversion Date (or, in the case of Additional Shares, no later than the date falling five Trading Days following the relevant Reference Date).

(d) *Settlement Disruption Event*

If a Settlement Disruption Event occurs between the Conversion Date and the Delivery Date, and delivery of any Shares cannot be effected on the Delivery Date, then solely for purposes of this Section 5.3 the Delivery Date will be postponed until the first succeeding calendar day on which delivery of the Shares can take place through a national or international settlement system or in any other commercially reasonable manner.

(e) *No Payment or Adjustment for Accrued Dividends*

Shares made available to Bondholders on exercise of their Conversion Rights will rank *pari passu* in all respects with the fully paid Shares in issue on the relevant Delivery Date, except

that Bondholders will not be entitled to receive any dividend or other distribution declared payable to holders of Shares by reference to a record date falling prior to the Delivery Date. No interest or other amount or adjustment will be paid or made in respect of any such dividend or dividends.

(f) *Ranking*

Where a Bondholder shall have exercised its Conversion Rights, the relevant Bondholder shall be entitled to all dividends, distributions and other entitlements determined by reference to a record date on or after the relevant Delivery Date.

5.4 Adjustment of Conversion Price

(a) *Non-Merger Events*

The Conversion Price will be adjusted by (unless otherwise specified) the Calculation Agent as follows under the following circumstances (each, an “**Adjustment Event**”):

(i) **Stock Split or Consolidation**

If there shall have occurred a subdivision or consolidation of the Shares (except for a Merger Event) into a greater or lesser number of Shares, the Conversion Price will be adjusted as of the date on which such event occurred by multiplying the Conversion Price then in effect by Formula 1 in Section 5.4(b) below.

(ii) **Granting of Rights or Warrants for Shares**

If the Issuer grants or causes to be granted a right, warrant or other security to existing holders of Shares as a class giving them the right to purchase or subscribe for additional Shares, (for the avoidance of doubt, other than constituting a Cash or Stock Dividend), the Conversion Price will be adjusted as of the Ex-Date of such grant (or, if later, as of the first date on which the adjusted Conversion Price is capable of being determined in accordance with these Conditions) by multiplying the Conversion Price then in effect by Formula 2 in Section 5.4(b) below.

(iii) **Sale of Shares at a Substantial Discount**

If the Issuer issues Shares for no consideration or sells Shares for cash, or causes Shares to be sold for cash, for a price that is less than 95 per cent. of the Current Market Price for the Shares on the date of first public announcement of the terms of such sale (other than in the circumstances the subject of Section 5.4(a)(ii) or 5.4(a)(iv)), the Conversion Price will be adjusted as of the date of issuance of the Shares by multiplying the Conversion Price then in effect by Formula 3 in Section 5.4(b) below.

(iv) **Free Distributions of Shares**

If the Issuer makes or causes to be made a free distribution of Shares by way of capitalisation of profits or reserves to existing holders of Shares as a class (other than constituting a Cash or Stock Dividend), the Conversion Price will be adjusted as of the Ex-Date of such distribution by multiplying the Conversion Price then in effect by Formula 1 in Section 5.4(b) below.

(v) **Free Distribution of an Equity-Linked Security**

If the Issuer makes or causes to be made a free distribution or dividend of securities that are convertible, exchangeable or otherwise exercisable into the Shares to existing holders of Shares as a class (other than in the circumstances the subject of Section 5.4(a)(ii)), the Conversion Price will be adjusted as of the Ex-Date of such free

distribution or dividend (or, if later, as of the first date on which the adjusted Conversion Price is capable of being determined in accordance with these Conditions) by multiplying the Conversion Price then in effect by Formula 2 in Section 5.4(b) below.

(vi) **Granting of Rights or Warrants for an Equity-Linked Security**

If the Issuer grants or causes to be granted a right, warrant or other security to existing holders of Shares as a class giving them the right to purchase or subscribe for securities that are convertible, exchangeable or otherwise exercisable into the Shares, (other than in the circumstances the subject of Section 5.4(a)(v)) the Conversion Price will be adjusted as of the Ex-Date of such grant (or, if later, as of the first date on which the adjusted Conversion Price is capable of being determined in accordance with these Conditions) by multiplying the Conversion Price then in effect by Formula 2 in Section 5.4(b) below.

(vii) **Issuance of Equity-Linked Securities at a Substantial Discount**

If the Issuer issues for no consideration or issues and sells for cash, or causes to be issued and sold for cash, securities that are convertible, exchangeable or otherwise exercisable into, or grants rights or options to purchase or subscribe, Shares (other than in the circumstances the subject of Section 5.4(a)(v) or Section 5.4(a)(vi)) and the price per equity-linked security (determined on a per Share basis by reference to the initial conversion or exchange price or ratio) together with any other consideration received or receivable by the Issuer in respect of such equity-linked security (determined on a per Share basis as aforesaid) is less than 95 per cent. of the Current Market Price for the Shares on the date of first public announcement of the terms of such newly issued equity-linked securities, the Conversion Price will be adjusted as of the date of issuance of such equity-linked security by multiplying the Conversion Price then in effect by Formula 3 in Section 5.4(b) below.

(viii) **Granting of Rights or Warrants for other Property**

If the Issuer grants a right, warrant or other security giving the right to purchase at less than Fair Market Value (determined as at the Ex-Date of such grant), any other property (not covered by another Section of this Section 5.4(a)) to existing holders of Shares, the Conversion Price will be adjusted as of the Ex-Date of such grant (or, if later, as of the first date on which the adjusted Conversion Price is capable of being determined in accordance with these Conditions) by multiplying the Conversion Price then in effect by Formula 2 in Section 5.4(b) below.

(ix) **Cash or Stock Dividend**

If a Cash or Stock Dividend is paid or made on the Shares, where the Ex-Date in respect of such Cash or Stock Dividend falls on or after the Closing Date, then the Conversion Price will be adjusted as of the Ex-Date of such Cash or Stock Dividend (or, if later, as of the first date on which the adjusted Conversion Price is capable of being determined in accordance with these Conditions), by multiplying the Conversion Price then in effect by Formula 5 in Section 5.4(b) below.

(x) **Spin-off or Subdivision of Shares into Classes**

If the Issuer distributes, or causes to be distributed, to existing holders of Shares (a “**Spin-off Event**”) equity securities of any entity other than the Issuer (the “**Spin-off Securities**”), or subdivides (a “**Reclassification**”) the Shares into two or more separately quoted classes of equity securities (such new classes of equity securities, the

“**Reclassified Securities**”), then one of the following adjustments will be made (as appropriate and subject as provided therein), as selected by the Issuer (in consultation with an Independent Financial Adviser) from among the options applicable to such event, effective as of the Ex-Date of any Spin-off Event or as of the effective date of any Reclassification (or, if later, as of the first date on which the adjusted Conversion Price or other applicable adjustment pursuant to this Section 5.4(a)(x) is capable of being determined in accordance with these Conditions):

- (1) in the case of a Spin-off Event or a Reclassification where the Spin-off Securities or Reclassified Securities, as the case may be, are publicly traded on a Recognised Exchange, the Shares shall thereafter comprise the securities comprising either the Shares immediately prior to such adjustment together with the Spin-off Securities (in the case of a Spin-off Event) or the Reclassified Securities (in the case of a Reclassification), in either case in the same amount as the Bondholder would have been entitled to receive had he converted the Bonds into Shares immediately prior to the record date of such Spin-off Event or the effective date of such Reclassification;
- (2) in the case of a Spin-off Event, the Conversion Price will be adjusted by multiplying the Conversion Price then in effect by the fraction expressed by Formula 2 in Section 5.4(b) below;
- (3) in the case of a Spin-off Event, where the Spin-off Securities are publicly traded on a Recognised Exchange, within five Trading Days after the Ex-Date of the Spin-off Event, the Issuer will deliver the Spin-off Securities to each Bondholder in the same amount as the Bondholder would have been entitled to receive had he converted the Bonds into Shares immediately prior to the record date of such Spin-off Event or the effective date of such Reclassification; or
- (4) in the case of a Spin-off Event, where the Spin-off Securities are publicly traded on a Recognised Exchange, within five Trading Days after the Ex-Date of the Spin-off Event, the Issuer will pay to each Bondholder an amount in cash in euros (rounded to the nearest €0.01, with €0.005 rounded upwards) equal to the number of such Spin-off Securities as such Bondholder would have been entitled to receive had he converted the Bonds into Shares immediately prior to the record date of such Spin-off Event multiplied by the Fair Market Value of the Spin-off Securities on a per Share basis.

If the Issuer selects option (1):

- (y) in the case of a Spin-off Event, each Bond will thereafter be convertible into the Shares and the relevant Spin-off Securities (in the amount determined as provided in option (1) subject to adjustment *mutatis mutandis* as provided in these Conditions and for such purposes the initial Conversion Price in respect of such Spin-off Securities upon the relevant Spin-off Event shall be calculated by dividing the principal amount of each Bond by the number of Spin-off Securities the holder of such Bond would have been entitled to receive had he converted the Bonds into Shares immediately prior to the record date of such Spin-off Event).

No adjustment shall be made to the Conversion Price in respect of the Shares as a result of such Spin-off Event.

- (z) in the case of a Reclassification, the Bonds will thereafter be convertible into each class of the Reclassified Securities (in each case in the amount determined as provided in option (1) subject to adjustment *mutatis mutandis* as provided in these Conditions) and for such purposes the initial Conversion Price in respect of each class of Reclassified Securities upon the Reclassification shall be calculated by dividing the principal amount of each Bond by the number of such Reclassified Securities as the holder of such Bond would have been entitled to receive had he converted the Bonds into Shares immediately prior to the effective date of such Reclassification. If the Issuer shall select option (3) or (4) the Bonds will continue to be convertible into Shares as provided in these Conditions and no adjustment shall be made to the Conversion Price as a result of the relevant Spin-off Event.

(xi) **Share Buybacks by means of a Tender or Exchange Offer above Market**

If the Issuer or any of its Subsidiaries commences a tender or exchange offer for the Shares and the Fair Market Value of the cash and other consideration offered per Share (determined as at the Expiration Time) exceeds the value of “P” in Formula 4 in Section 5.4(b) below, the Conversion Price will be adjusted as of the Trading Day immediately following the Expiration Time (as defined below) (or, if later, as of the first date on which the adjusted Conversion Price is capable of being determined in accordance with these Conditions) by multiplying the Conversion Price then in effect by the fraction expressed by Formula 4 in Section 5.4(b) below. For the avoidance of doubt, this clause does not apply to on-market buybacks by the Issuer other than by means of a tender or exchange offer (such as on-market buybacks that are part of a buyback programme).

(b) *Adjustment Formulae*

The formulae to be applied in Section 5.4(a) above to adjust the Conversion Price are as follows:

Formula 1 (Sections 5.4(a)(i) and 5.4(a)(iv) above):

$$\frac{X}{Y}$$

where:

X = the number of Shares outstanding immediately prior to the occurrence of such event.

Y = the number of Shares outstanding immediately after the occurrence of such event.

Formula 2 (Sections 5.4(a)(ii), 5.4(a)(v), 5.4(a)(vi), 5.4(a)(viii) and 5.4(a)(x)(2) above):

$$\frac{P - d}{P}$$

where:

- P = the Current Market Price on the first day on which the Shares are traded on the Relevant Exchange ex the relevant distribution, dividend, rights, warrants or other securities or other property.
- d = the Fair Market Value per Share of the distribution, dividend, rights, warrants or securities or other property the subject of the relevant grant, as the case may be, such Fair Market Value as aforesaid being determined as at the first day on which the Shares are traded on the Relevant Exchange ex such distribution, dividend, rights, warrants or other securities or other property.

Formula 3 (Sections 5.4(a)(iii) and 5.4(a)(vii) above):

$$\frac{X + (Z \times c/P)}{X + Z}$$

where:

- X = the number of Shares outstanding immediately prior to the date of first public announcement of the terms of the relevant issue or sale.
- P = the Current Market Price on the date of first public announcement of the terms of the relevant issue or sale.
- Z = the number of (i) Shares to be sold or (ii) Shares into which such other securities to be sold or issued are convertible, exchangeable or otherwise exercisable.
- c = the Fair Market Value (determined as of the date of such first public announcement) of (i) the sale price per security of the Shares to be sold or (ii) the sale price of the securities to be sold or issued that are convertible, exchangeable or otherwise exercisable into the Shares, together with the Fair Market Value (determined as of the date of such first public announcement) of any other consideration received or receivable in respect of such securities, in each case determined on a per Share basis by reference to the initial issue, sale, conversion or exchange price or ratio, as the case may be (and in any such case if the relevant Shares or securities are issued for no consideration, the sale price shall be zero).

Formula 4 (Section 5.4(a)(xi) above):

$$\frac{N_1 \times P}{A + (N_2 \times P)}$$

where:

- N₁ = the number of Shares outstanding at the latest time (the “**Expiration Time**”) tenders or exchanges may be made pursuant to such tender or exchange offer (as it shall have been amended), inclusive of all Shares validly tendered or exchanged and not withdrawn as of the Expiration Time (the “**Purchased Shares**”).
- N₂ = the number of Shares outstanding at the Expiration Time, exclusive of any Purchased Shares.
- P = the Current Market Price of the Shares on the date of first public announcement of the terms of the tender or exchange offer.

A = the Fair Market Value (determined as at the Expiration Time) of the aggregate consideration payable to holders of Shares based on the acceptance (up to any maximum specified in the terms of the tender or exchange offer) of the Purchased Shares.

Formula 5 (Section 5.4(a)(ix) above):

$$\frac{P - d}{P}$$

P = the Current Market Price of the Shares on the Ex-Date in respect of the relevant Cash or Stock Dividend.

d = the Fair Market Value of the relevant Cash or Stock Dividend per Share as at the Ex-Date of such Cash or Stock Dividend.

(c) *Change of Control*

If a Change of Control occurs, the Conversion Price (the “**Change of Control Conversion Price**”) in respect of any Bonds in respect of which Conversion Rights are exercised and the Conversion Date falls during the Change of Control Period, will be determined as set out below:

$$\text{COCCP} = \text{OCP} / (1 + (\text{CP} \times c/t))$$

where:

COCCP = means the Change of Control Conversion Price

OCP = means the Conversion Price in effect on the relevant Conversion Date

CP = means 45 per cent.

c = means the number of days from and including the date the Change of Control occurs to but excluding the Maturity Date

t = means the number of days from and including the Closing Date to but excluding the Maturity Date

(d) *Merger Events*

If, in respect of a Merger Event, the consideration for the Shares consists (or, at the option of the holder of the Shares, may consist) of New Securities, Other Consideration or Combined Consideration, then on or after the Merger Date each Bond shall be convertible into the number of New Securities, the amount of Other Consideration or the amount of Combined Consideration, as the case may be, to which a holder of the number of Shares which would have been required to be delivered had such Bond been converted immediately prior to the Merger Event would be entitled upon consummation of the Merger Event. Where pursuant to the foregoing the Bonds will be convertible into property including or comprising New Securities, the initial Conversion Price in respect of such New Securities shall be calculated by dividing the principal amount of each Bond by the number of such New Securities (determined as provided above), all as determined by an Independent Financial Adviser.

(e) *Other Adjustments*

No adjustment to the Conversion Price will be required other than those specified above. However, if the Issuer (following consultation with the Calculation Agent) determines in good faith that an adjustment should be made to the Conversion Price (or that a determination should be made as to whether an adjustment should be made) as a result of one or more events or circumstances not referred to above in this Section 5.4 (even if the relevant events or circumstances are specifically excluded from the operation of any or all of Sections 5.4(a) and 5.4(c) above), the Issuer shall, at its own expense and acting reasonably, in consultation with the Calculation Agent, request an Independent Financial Adviser to determine as soon as practicable what adjustment (if any) to the Conversion Price is fair and reasonable to take account of such events or circumstances and the date on which such adjustment should take effect. Upon such determination, such adjustment (if any) shall be made and shall take effect in accordance with such determination.

(f) *Procedures*

Except as otherwise provided, the Calculation Agent (or, to the extent so specified in these Conditions, an Independent Financial Adviser) will make all adjustments to the Conversion Price pursuant to Sections 5.4(a), 5.4(c), 5.4(d) and 5.4(e) above, and its calculation shall be binding on all parties except in the event of bad faith or manifest or proven error.

The Calculation Agent shall act solely as agent of the Issuer and will not thereby assume any obligation towards, or relationship of agency or trust with, and shall not incur any liability in respect of anything done or omitted to be done when acting in such calculation agency capacity as against the Trustee or the Bondholders, and the Calculation Agent shall not be required or be under any duty to monitor whether any event or other circumstance shall have occurred that would give rise to an adjustment to the Conversion Price.

The Calculation Agent may consult, at the expense of the Issuer, on any matter (including but not limited to, any legal matter), any legal or other professional adviser and it shall be able to rely upon, and it shall not be liable and shall incur no liability as against the Trustee or the Bondholders in respect of anything done, or omitted to be done, relating to that matter in good faith in accordance with, that adviser's opinion.

Any Independent Financial Adviser appointed pursuant to these Conditions will not assume any obligation towards or relationship of agency or trust with, and shall not be liable and shall incur no liability in respect of anything done, or omitted to be done in good faith, in accordance with these Conditions as against the Trustee or the Bondholders.

All references in the foregoing provisions to the number of Shares outstanding shall exclude Shares held by or on behalf of the Issuer or any Subsidiary.

None of the foregoing adjustment provisions shall apply to any bona fide plan for the benefit of employees, directors or consultants of the Issuer or any of its Subsidiaries now or hereafter in effect.

The Conversion Price resulting from any adjustment provided for in Section 5.4(a), 5.4(c) or 5.4(e) above will be rounded down to the nearest €0.0001, subject to Section 5.4(g).

(g) *De Minimis Exception*

No adjustment to the Conversion Price pursuant to Sections 5.4(a), 5.4(c) and 5.4(e) above will be made if the adjustment would result in a change in the Conversion Price of less than 1 per cent. of the then prevailing Conversion Price, provided that any adjustment that would otherwise be required to be made and any amount by which the Conversion Price has been

rounded down pursuant to Section 5.4(f) above will be carried forward and taken into account in any subsequent adjustment.

(h) *Notice*

The Issuer shall give notice to the Principal Paying, Transfer and Conversion Agent, the Trustee and the Bondholders in accordance with Section 15.7 of any change (or, at the Issuer's discretion, any prospective change) to the Conversion Price as soon as reasonably practicable following such change (or, if the notice is given in respect of a prospective change, at such time as the Issuer shall determine).

(i) *No Adjustment*

No adjustment will be made to the Conversion Price pursuant to this Section 5.4 where Shares or other securities (including rights, warrants and options) are issued, offered, exercised, allotted, purchased, appropriated, modified or granted to, or for the benefit of, employees or former employees (including directors holding or formerly holding executive office or non-executive office or the personal service company of any such person) or their spouses or relatives, in each case, of the Issuer or any of its Subsidiaries or any associated company or to a trustee or trustees to be held for the benefit of any such person, in any such case pursuant to any share or option scheme or pursuant to any dividend reinvestment plan or similar plan or scheme.

For the avoidance of doubt, other than an adjustment to the Conversion Price in respect of a consolidation of Shares pursuant to Section 5.4(a)(i), no adjustment to the Conversion Price shall result in an increase thereof.

The Conversion Price shall not in any event be reduced to below the nominal value of the Shares or any minimum value permitted by applicable laws or regulations or be reduced so that on conversion of the Bonds, Shares would fall to be issued in circumstances not permitted by applicable laws or regulations. The Issuer undertakes that it shall not take any action, and shall procure that no action is taken, that would otherwise result in an adjustment to the Conversion Price to below such nominal value or any minimum level permitted by applicable laws or regulations or that would otherwise result in Shares that would be required to be issued or transferred and delivered in circumstances not being permitted by applicable laws or regulations.

(j) *Retroactive Adjustment*

If a Retroactive Adjustment occurs in relation to any exercise of Conversion Rights, the Issuer shall procure that there shall be issued or transferred and delivered to the relevant Bondholder, in accordance with the instructions contained in the relevant Conversion Notice, such additional number of Shares (if any) (the "**Additional Shares**") as, together with the Shares issued or transferred and delivered on the relevant exercise of Conversion Rights, is equal to the number of Shares which would have been required to be issued or transferred and delivered on such exercise if the relevant adjustment to the Conversion Price had been made and become effective immediately prior to the relevant Conversion Date, all as determined in good faith by the Calculation Agent or an Independent Financial Adviser, provided that if in the case of Section 5.4(a)(i), 5.4(a)(ii), 5.4(a)(iv), 5.4(a)(v), 5.4(a)(vi), 5.4(a)(viii), 5.4(a)(ix) or 5.4(a)(x) the relevant Bondholder shall be entitled to receive the relevant Shares, Cash or Stock Dividends or Securities in respect of the Shares to be issued or transferred and delivered to it, then no such Retroactive Adjustment shall be made in relation to the relevant event and the relevant Bondholder shall not be entitled to receive Additional Shares in relation thereto.

5.5 Stamp, Transfer, Registration or other Taxes or Duties

The Issuer shall pay all capital, stamp, issue, registration, transfer and other taxes or duties imposed by The Netherlands, or any jurisdiction in which the Issuer may be domiciled or resident or to whose taxing jurisdiction the Issuer may generally be subject or the jurisdiction where the Relevant Exchange is located, payable upon delivery of Shares on exercise of Conversion Rights (“**Specified Taxes**”). If the Issuer shall fail to pay any Specified Taxes, the relevant Bondholder shall be entitled to tender and pay the same and the Issuer as a separate and independent stipulation, covenants to reimburse and indemnify each Bondholder in respect of any payment thereof and any penalties payable in respect thereof.

A Bondholder exercising Conversion Rights must pay directly to the relevant authorities any capital, stamp, issue, registration, transfer and other taxes or duties arising on the exercise of such Conversion Rights, other than any Specified Taxes. A Bondholder must also pay all, if any, taxes imposed on it and arising by reference to any disposal or deemed disposal by it of a Bond or interest therein in connection with the exercise of Conversion Rights by it.

Any duties or taxes payable by a Bondholder pursuant to this Section 5.5 in the jurisdiction of the Conversion Agent with whom the relevant Conversion Notice is deposited shall be required to be paid to such Conversion Agent as a condition precedent to conversion. None of the Issuer, the Trustee or any Agent will impose any charge upon the exercise of Conversion Rights.

5.6 Repurchase of Bonds

The Issuer and any Subsidiary may at any time purchase Bonds at any price in the open market or in privately negotiated transactions, provided that such purchases are in compliance with applicable law and stock exchange regulations. All Bonds which are so purchased will forthwith be cancelled and may not be reissued or resold, and the principal amount of the Global Bond Certificate will be reduced.

6 Withholding Taxes

All payments of principal and other amounts made by the Issuer in respect of the Bonds will be made without deduction or withholding for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied, collected, withheld or assessed by or on behalf of any Taxing Jurisdiction, unless the withholding or deduction of such taxes, duties, assessments or governmental charges is required by law or regulation or by the official interpretation thereof. If any corporation assumes the Issuer’s rights and obligations under the Bonds, the term “**Taxing Jurisdiction**” will include each jurisdiction in which such corporation is resident for tax purposes from the time it assumes the Issuer’s rights and obligations.

In the event that any such withholding or deduction is required to be made, the Issuer will pay such additional amounts as will result in the receipt by the Bondholders of the amounts which would otherwise have been receivable had no such withholding or deduction been required, except that no such additional amount shall be payable in respect of any Bond to a Bondholder (or to a third party on behalf of a Bondholder) who is subject to such taxes, duties, assessments or governmental charges in respect of such Bond by reason of its having some connection with such Taxing Jurisdiction otherwise than merely by holding the Bond or by the receipt of amounts in respect of the Bond.

References in these Conditions to principal and/or any other amounts payable in respect of the Bonds shall be deemed also to refer to any additional amounts which may be payable under this Section 6 or any undertaking or covenant given in addition thereto or in substitution therefor pursuant to the Trust Deed.

7 Covenants

So long as any Bond remains outstanding, save with the approval of an Extraordinary Resolution or with the prior written approval of the Trustee where, in its opinion, it is not materially prejudicial to the interests of the Bondholders to give such approval:

- (a) *Covenant not to Merge, Consolidate, Amalgamate, Sell, Lease or Transfer Assets under Certain Conditions:* The Issuer will not consolidate or amalgamate with or merge into any other corporation or corporations (other than where the Issuer is the continuing entity), or sell, lease, or transfer all or substantially all its assets, unless (A) the corporation formed by such consolidation or amalgamation, or into which the Issuer shall have been merged, or which shall have acquired such assets upon any such sale, lease or transfer shall have expressly assumed the due and punctual payment of the principal of all the Bonds and the due and punctual performance and observance of all of the covenants and conditions of the Bonds to be performed or observed by the Issuer and (B) (x) each Bond shall thereafter be convertible into the class and amount of Shares and other securities, property and assets (including cash) receivable upon such consolidation, amalgamation or merger or sale, lease or transfer by a holder of the number of Shares which would have been required to be delivered had such Bond been converted into Shares immediately prior to such consolidation, amalgamation, merger, sale, lease or transfer or (y) if, in the case of any such sale, lease or transfer, no such Shares or other securities, property or assets are receivable by holders of Shares, the Bonds will be convertible into Shares or common stock or the like (comprising equity securities) of the corporation which shall have acquired the relevant assets on such basis and with a Conversion Price (subject to adjustment as provided in these Conditions) as determined in good faith by an Independent Financial Adviser. For the purposes thereof, the Issuer shall execute and deliver to each of the Agents a supplement to the Agency Agreement satisfactory to the Principal Paying, Transfer and Conversion Agent. Such supplement will provide for adjustments which will be as nearly equivalent as may be practicable to the adjustments provided for in these Conditions. The provisions of this Section 7(a) will apply in the same way to any subsequent consolidation, amalgamation, merger, sale, lease or transfer. In case of any such consolidation, amalgamation, merger, sale, lease or transfer, and following such an assumption by the successor corporation, such successor corporation will succeed to and be substituted for the Issuer with the same effect as if it had been named herein. In the event of any such consolidation, amalgamation, merger, sale, lease or transfer, following such an assumption by the successor corporation, the Issuer will be discharged from all obligations and covenants under the Bonds and the Agency Agreement and may be liquidated and dissolved.
- (b) *Reservation of Share Capital:* The Issuer undertakes that it will at all times maintain treasury shares or authorised share capital, free of pre-emption rights sufficient in aggregate for the issuance of Shares that would be required to be delivered to Bondholders on exercise of Conversion Rights in respect of all outstanding Bonds from time to time.
- (c) *Listing of Shares:* The Issuer undertakes to use all reasonable endeavours to ensure that the Shares issued upon exercise of the Conversion Rights will be admitted to listing and trading on the Relevant Exchange and will be listed, quoted or dealt in on any other stock exchange or securities market on which the Shares may then be listed or quoted or dealt in (which, for the avoidance of doubt, shall not include any other stock exchange or securities market on which American depository receipts relating to the Shares may then be listed or quoted or dealt in).
- (d) *Listing of Bonds:* The Issuer undertakes to use its reasonable endeavours to cause the Bonds to be admitted to trading on the Open Market (*Freiverkehr*) of the Frankfurt Stock Exchange or another EEA or United Kingdom stock exchange or trading platform (the “**Admission**”) no later than 11 March 2021 and use its reasonable endeavours to maintain such Admission for so long as any of the Bonds remain outstanding.

- (e) *Terms and Conditions*: The Issuer undertakes that by no later than the Closing Date it will (i) publish a copy of these Conditions (including a legend regarding the intended target market for the Bonds) on its website and (ii) thereafter (and for so long as any of the Bonds remain outstanding) maintain the availability of these Conditions (as the same may be amended in accordance with their terms) on such website.
- (f) *Independent Financial Adviser*: The Issuer undertakes, whenever a function expressed in these Conditions to be performed by an Independent Financial Adviser falls to be performed, to appoint and (for so long as such function is required to be performed) maintain an Independent Financial Adviser.

8 Events of Default

If any of the following events (each an “**Event of Default**”) occurs and is continuing, the Trustee at its discretion may, and if so requested by a meeting of Bondholders shall, give notice to the Issuer at its registered office that the Bonds are, and they shall accordingly immediately become, due and repayable at their Redemption Price:

- (c) *Breach of Agreement*: a default in the observance or performance of any other covenant or agreement contained in these Conditions or the Trust Deed which default continues for a period of 30 days after the Issuer receives written notice specifying the default (and demanding that such default be remedied) from the Trustee; or
- (d) *Cross-Default*: (i) any other present or future indebtedness of the Issuer or any of its Material Subsidiaries for or in respect of moneys borrowed or raised becomes (or becomes capable of being declared) due and payable prior to its stated maturity by reason of any actual or potential default, event of default or the like (howsoever described), or (ii) any such indebtedness is not paid when due or, as the case may be, within any originally applicable grace period, or (iii) the Issuer or any of its Material Subsidiaries fails to pay when due any amount payable by it under any present or future guarantee for, or indemnity in respect of, any moneys borrowed or raised provided that the aggregate amount of the relevant indebtedness, guarantees and indemnities in respect of which one or more of the events mentioned above in this Section 8(d) have occurred equals or exceeds €25,000,000 or its equivalent (as reasonably determined by the Trustee); or
- (e) *Insolvency*:

 - (iv) any analogous procedure or step to those described in (i) to (iii) above is taken in any jurisdiction; or

This paragraph (f) shall not apply to any winding-up petition which is frivolous or vexatious and is discharged, stayed or dismissed within 30 days of commencement.

- (g) *Creditors' Process*: any expropriation, attachment, sequestration, distress or execution affects any material part of the asset or assets of the Issuer or any Material Subsidiary provided that it shall not be an Event of Default under this paragraph (g) if the relevant expropriation, attachment, sequestration, distress or execution is released or discharged within, in respect of an interlocutory attachment (*conservatoir beslag*), 30 days and, in respect of any other attachment, 14 days; or
- (h) *Analogous Proceedings*: there occurs, in relation to any Material Subsidiary, in any jurisdiction to which it or any of its assets are subject, any event which reasonably corresponds with any of those mentioned in Section 8(e) to 8(g) above; or

9 Meetings of Bondholders, Modification and Waiver

9.1 Meetings of Bondholders

The Trust Deed contains provisions for convening meetings of Bondholders to consider matters affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of any of these Conditions or any provisions of the Trust Deed. Such a meeting may be convened by the Issuer or the Trustee and shall be convened by the Issuer if requested in writing by Bondholders holding not less than 10 per cent. in principal amount of the Bonds for the time being outstanding. The quorum for any meeting convened to consider an Extraordinary Resolution will be one or more persons holding or representing a clear majority in principal amount of the Bonds for the time being outstanding, or at any adjourned meeting one or more persons being or representing Bondholders whatever the principal amount of the Bonds so held or represented, unless the business of such meeting includes consideration of proposals, *inter alia*, (i) to change the Maturity Date in respect of the Bonds, (ii) to modify the circumstances in which the Issuer or Bondholders are entitled to redeem the Bonds pursuant to Section 4.1 or 4.2 (other than removing the right of the Issuer to redeem the Bonds pursuant to Section 4.1), (iii) to reduce or cancel the principal amount of the Bonds or to reduce

the amount payable on redemption of the Bonds, (iv) to modify the provisions relating to, or cancel, Conversion Rights or the rights of Bondholders to receive Shares on exercise of Conversion Rights pursuant to these Conditions (other than a reduction to the Conversion Price), (v) to increase the Conversion Price (other than in accordance with these Conditions), (vi) to change the currency of the denomination of the Bonds or of any payment in respect of the Bonds, (vii) to change the governing law of the Bonds, the Trust Deed or the Agency Agreement, or (viii) to modify the provisions concerning the quorum required at any meeting of Bondholders or the majority required to pass an Extraordinary Resolution, in which case the necessary quorum will be one or more persons holding or representing not less than two-thirds, or at any adjourned meeting not less than one-half, in principal amount of the Bonds for the time being outstanding. Any Extraordinary Resolution duly passed by the Bondholders shall be binding on all Bondholders (whether or not they were present at any meeting at which such resolution was passed and whether or not they voted on such resolution).

The Trust Deed provides that (i) a resolution in writing signed by or on behalf of the holders of not less than 75 per cent. of the aggregate principal amount of Bonds outstanding (which may be contained in one document or several documents in the same form, each signed by or on behalf of one or more Bondholders) or (ii) consents given by way of electronic consent through the relevant clearing system(s) (in a form satisfactory to the Trustee) by or on behalf of the holders of not less than 75 per cent. of the aggregate principal amount of the Bonds outstanding, shall, in any such case, be effective as an Extraordinary Resolution passed at a meeting of Bondholders duly convened and held.

9.2 Modification and Waiver

The Trustee may agree, without the consent of the Bondholders, to (i) any modification of any of the provisions of the Trust Deed, any trust deed supplemental to the Trust Deed, the Agency Agreement, any agreement supplemental to the Agency Agreement, the Bonds or these Conditions which in the Trustee's opinion is of a formal, minor or technical nature or is made to correct a manifest error or to comply with mandatory provisions of law, and (ii) any other modification to the Trust Deed, any trust deed supplemental to the Trust Deed, the Agency Agreement, any agreement supplemental to the Agency Agreement, the Bonds or these Conditions (except as mentioned in the Trust Deed), and any waiver or authorisation of any breach or proposed breach, of any of the provisions of the Trust Deed, any trust deed supplemental to the Trust Deed, the Agency Agreement, any agreement supplemental to the Agency Agreement, the Bonds or these Conditions which is, in the opinion of the Trustee, not materially prejudicial to the interests of the Bondholders. The Trustee may, without the consent of the Bondholders, determine that any Event of Default should not be treated as such, provided that in the opinion of the Trustee, the interests of Bondholders will not be materially prejudiced thereby. Any such modification, authorisation, waiver or determination shall be binding on the Bondholders and, if the Trustee so requires, shall be notified to the Bondholders promptly in accordance with Section 15.7.

9.3 Entitlement of the Trustee

In connection with the exercise of its functions (including but not limited to those referred to in this Section 9) the Trustee shall have regard to the interests of the Bondholders as a class but shall not have regard to any interests arising from circumstances particular to individual Bondholders (whatever their number) and, in particular but without limitation, shall not have regard to the consequences of the exercise of its trusts, powers or discretions for individual Bondholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory, and the Trustee shall not be entitled to require, nor shall any Bondholder be entitled to claim, from the Issuer or any other person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Bondholders, except to the extent provided for in these Conditions or the Trust Deed.

10 Enforcement

The Trustee may at any time, at its discretion and without notice, take such proceedings, actions or steps (including lodging an appeal in any proceedings) against the Issuer as it may think fit to enforce the provisions of the Trust Deed and the Bonds, but it shall not be bound to take any such proceedings, actions or steps in relation to the Trust Deed or the Bonds unless (i) it shall have been so directed by an Extraordinary Resolution of the Bondholders or so requested in writing by the holders of at least one-quarter in principal amount of the Bonds then outstanding, and (ii) it shall have been indemnified and/or secured and/or pre-funded to its satisfaction.

No Bondholder shall be entitled to (i) take any proceedings, actions or steps against the Issuer to enforce the performance of any of the provisions of the Trust Deed or the Bonds or (ii) take any other proceedings, actions or steps (including lodging an appeal in any proceedings) in respect of or concerning the Issuer, in each case unless the Trustee, having become bound so to take any such proceedings, actions or steps, fails so to do within a reasonable period and the failure shall be continuing.

11 The Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions limiting or excluding its liability in certain circumstances.

The Trustee is entitled to enter into business transactions with the Issuer and any entity related to the Issuer without accounting for any profit.

The Trust Deed provides that, when determining whether an indemnity or any security or pre-funding is satisfactory to it, the Trustee shall be entitled (i) to evaluate its risk in any given circumstance by considering the worst-case scenario and (ii) to require that any indemnity or security or pre-funding given to it by the Bondholders or any of them be given on a joint and several basis and be supported by evidence satisfactory to it as to the financial standing and creditworthiness of each counterparty and/or as to the value of the security and an opinion as to the capacity, power and authority of each counterparty and/or the validity and effectiveness of the security.

The Trustee may rely without liability to Bondholders on a report, confirmation or certificate or any advice of any accountants, financial advisers, financial institution or other expert, whether or not addressed to it and whether their liability in relation thereto is limited (by its terms or by any engagement letter relating thereto entered into by the Trustee or in any other manner) by reference to a monetary cap, methodology or otherwise. The Trustee may accept and shall be entitled to rely on any such report, confirmation or certificate or advice and such report, confirmation or certificate or advice shall be binding on the Issuer, the Trustee and the Bondholders.

12 Agents

12.1 Agent to the Issuer

The Agents and the Calculation Agent, when acting in that capacity, act solely as agents of the Issuer (and, if applicable after an Event of Default has occurred, of the Trustee) and do not assume any obligation towards or relationship of agency or trust for or with any Bondholder or any Person holding an interest in respect of any Bond through an account with a financial intermediary or otherwise.

12.2 Appointment and Termination of Agents and the Calculation Agent

The Issuer has initially appointed the Principal Paying, Transfer and Conversion Agent, the Registrar, the Conversion Agents and the Calculation Agent for the Bonds as stated above. The Issuer may at any time, with the approval of the Trustee, appoint additional or other Agents or Calculation Agent and terminate the appointment of such Agents or Calculation Agent. Notice of any such termination

or appointment and of any change in the office through which any Agent will act will be promptly given to each Bondholder in the manner described in Section 15.7 hereof.

12.3 Duty to Maintain Office

As long as the Bonds, including in the event that some but not all Bonds originally issued, are outstanding, the Issuer shall maintain a Principal Paying, Transfer and Conversion Agent and a Calculation Agent which shall each be a financial institution of international repute or a financial adviser with appropriate expertise.

13 Securities Holding Structure

13.1 Form and Custody of Bonds

The entire issue of the Bonds will be initially evidenced by a global certificate (the “**Global Bond Certificate**”) in fully registered form which will be deposited on the Closing Date with and registered in the name of a common depository or its nominee for Euroclear Bank SA/NV (“**Euroclear**”) and Clearstream Banking S.A. (“**Clearstream, Luxembourg**”) and together with Euroclear, the “**Central Securities Depositories**” and each a “**Central Securities Depository**”).

13.2 Multi-Tiered Holding System

As long as the Global Bond Certificate is on deposit with the Central Securities Depositories or any of their respective successors, then:

- (a) any Person wishing to acquire, hold or transfer an interest in respect of the Bonds must do so through an account with a Central Securities Depository or any of their respective successors or another financial intermediary holding an equivalent interest in respect of the Bonds directly or indirectly through a Central Securities Depository or any of its successors;
- (b) there will be one or more financial intermediaries standing between each such accountholder and the underlying Bonds;
- (c) the Issuer and the Trustee will have the right to treat the Central Securities Depositories or their respective successors or agents as the holders or Persons exclusively entitled to receive payments or property in respect of or in exchange for the Bonds, including the Shares, and otherwise to exercise all the rights and powers with respect to any Bond;
- (d) the obligation of the Issuer to make payments of principal (except as provided by a Bondholder pursuant to a Change of Control Put Exercise Notice or Conversion Notice) and other amounts with respect to any Bond shall be discharged at the time payment in the appropriate amount is made in accordance with the Agency Agreement to a Central Securities Depository or its successor or agent;
- (e) the obligation of the Issuer to deliver Shares upon the exercise by any Bondholder of any Conversion Rights shall be discharged at the time the Shares are delivered to a Central Securities Depository or its successor or agent in accordance with Section 5.3; and
- (f) any Person that acquires, holds or transfers an interest in respect of any Bond through accounts with a Central Securities Depository or with any other financial intermediary will be subject to the laws and contractual provisions governing such Person’s relationship with its financial intermediary, as well as the laws and contractual provisions governing the relationship between its financial intermediary and each other financial intermediary, if any, standing between such Person and the Global Bond Certificate and the Bonds Register to determine (A) the legal nature of its interest in respect of any Bond and whether such interest is protected against the insolvency of its financial intermediary or any other financial intermediary

standing between such Person and the underlying Bonds and the Bonds Register, (B) whether a Central Securities Depository or its successor, and each other financial intermediary, if any, standing between such Person and the underlying Bonds and the Bonds Register, is required to enforce the payment and other terms of the Bonds against the Issuer or to put its accountholders in a position to do so directly and (C) whether such Person's financial intermediary and each other financial intermediary, if any, standing between such Person and the underlying Bonds and the Bonds Register is required to pass on to such Person the benefits of ownership of any Bonds.

13.3 Right to Obtain Individual Certificates in Exchange for the Global Bond Certificate

Except as described in this Section 13.3, the Global Bond Certificate will not be exchangeable for individual certificates each evidencing a single Bond or less than the entire issue of the Bonds. Subject to the foregoing sentence, if (A) a Central Securities Depository or its successor notifies the Issuer that it is unwilling or unable to continue as depository and a successor depository is not appointed within 14 days, (B) an Event of Default shall have occurred and the maturity of the Bonds shall have been accelerated in accordance with these Conditions or (C) the Issuer shall have decided in its sole discretion that the Bonds should no longer be evidenced solely by the Global Bond Certificate, then upon having prepared a deed or deeds with a fixed date, governed by Dutch law, between the relevant Bondholder, the relevant Central Securities Depository and the relevant accountholders of such Central Securities Depository with an interest in such Bonds:

- (a) the Issuer will promptly and in any event not later than 10 Business Days thereafter cause individual certificates each evidencing a single Bond or such other number of Bonds as specified by the Central Securities Depositories or their respective successors to be duly executed, authenticated and delivered to the Central Securities Depositories or their respective successors and, registered in the name of the relevant Central Securities Depository or its nominee, against surrender of the Global Bond Certificate by the Central Securities Depositories or their respective successors;
- (b) notwithstanding any other provision of these Conditions or the Agency Agreement, the individual certificates so delivered to the Central Securities Depositories or their respective successors may be delivered by them to their respective accountholders in such amounts as shall correspond to the amount of Bonds credited to the accounts of such accountholders on the records of the Central Securities Depositories or their respective successors at the time of such delivery and, the Issuer will register the Bonds evidenced by such individual certificates in such names and amounts as the Central Securities Depositories or their respective successors shall specify to the Issuer or the Principal Paying, Transfer and Conversion Agent, which specification shall serve as notification of transfer (*mededeling*); and

extent of such accountholder's interest in the Bonds evidenced by the Global Bond Certificate and to the exclusion of such Central Securities Depository or its successor, that as a matter of law could be brought by the holder of the Global Bond Certificate and the Person in whose name the Bonds are registered and (y) may, without the consent and to the exclusion of such Central Securities Depository or its successor, file any claim, take any action or institute any proceeding, directly against the Issuer, to compel the payment of such amount or enforce any such rights, as fully as though the interest of such accountholder in the Bonds evidenced by the Global Bond Certificate were evidenced by an individual certificate in such accountholder's actual possession and as if an amount of Bonds equal to such accountholder's stated interest were registered in such accountholder's name and without the need to produce the Global Bond Certificate in its original form. This Section 13.3(c)(ii) constitutes an unconditional and irrevocable third party stipulation (*derdenbeding*, as used in Section 6:253 of the Dutch Civil Code).

For purposes of this Section 13.3, the account records of a Central Securities Depository or its successor will, in the absence of manifest error, be conclusive evidence of the identity of each accountholder that has any interest in the Bonds evidenced by the Global Bond Certificate held by such Central Securities Depository or its successor and the amount of such interest. Individual certificates will be issued in denominations of €100,000 of that amount and, when delivered against surrender of such Global Bond Certificate shall be issued in registered form without coupons.

Subject to Section 13.2, if the Global Bond Certificate is exchanged for individual certificates each evidencing a single Bond or less than the entire issue of Bonds, then:

- (c) the obligation of the Issuer to deliver Shares upon the exercise by any Bondholder of any Conversion Rights shall be discharged at the time the Shares are delivered to such Bondholder in accordance with Section 5.3.

13.5 Lost, Stolen or Mutilated Certificates

In case any certificate evidencing one or more Bonds shall become mutilated, defaced or apparently destroyed, lost or stolen, the Issuer may execute, and, upon the request of the Issuer, the Registrar shall authenticate and deliver, a new certificate evidencing such Bonds, bearing a number not contemporaneously outstanding, in exchange and substitution for the mutilated or defaced certificate evidencing such Bonds or in lieu of and in substitution for the apparently destroyed, lost or stolen certificate evidencing such Bonds. In every case the applicant for a substitute certificate evidencing such Bonds shall furnish to the Issuer and to the Registrar such security or indemnity as may be required by them to indemnify and defend and to save each of them and any agent of the Issuer or the Registrar harmless and, in every case of destruction, loss or theft, evidence to their satisfaction of the apparent destruction, loss or theft of such certificate evidencing such Bonds and of the ownership thereof. Upon the issuance of any substitute certificate evidencing such Bonds, the Issuer may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed

in relation thereto and any other expenses (including the fees and expenses of the Registrar) connected therewith together with such indemnity or security as is reasonably required by the Issuer and the Registrar.
