Just Eat Takeaway.com successfully raises EUR 700 million through an accelerated bookbuild offering of new shares and convertible bonds

Just Eat Takeaway.com N.V. (LSE: JET, AMS: TKWY), hereinafter the “Company”, or together with its group companies “Just Eat Takeaway.com”, one of the world’s largest online food delivery marketplaces, announces that it has successfully placed 4,600,000 new ordinary shares of the Company (the “New Shares”), representing approximately 3.2% of the Company’s issued share capital, raising gross proceeds of EUR 400.2 million through an accelerated bookbuild offering (the “Capital Increase”) at an issue price of EUR 87.00 (GBP 7,620) per New Share, representing a 3.7% discount to the closing share price of EUR 90.36 on 22 April 2020, as well as a concurrent offering of convertible bonds (the “Convertible Bonds”) in the aggregate principal amount of EUR 300 million due April 2026. The net proceeds raised from the Capital Increase and the Convertible Bond issuance will be used to partially pay down revolving credit facilities currently utilised by both Just Eat and Takeaway.com, for general corporate purposes as well as to provide the Company with financial flexibility to act on strategic opportunities which may arise.

Capital Increase

The Capital Increase will be executed by way of a private placement of the New Shares on a non-pre-emptive basis (the “Placement”). Settlement of the Placement is expected to take place on 27 April 2020 (the “Closing Date”).

Applications have been made to the Financial Conduct Authority (the “FCA”), the London Stock Exchange plc (the “LSE”) and Euronext Amsterdam respectively for the admission of the New Shares to the premium listing segment of the Official List of the FCA, to trading on the main market for listed securities of the LSE and to admission and trading on Euronext Amsterdam (together, the “Admission”). It is expected that the Admission will become effective on or around 9:00 a.m. CET on 27 April 2020.

The Placement is conditional upon, amongst other things, the Admission becoming effective and upon the placement agreement between the Joint Global Coordinators, the Joint Bookrunners and the Company not being terminated in accordance with its terms.

The New Shares will rank *pari passu* in all respects with the Company’s existing ordinary shares. The New Shares will however not have voting rights at the annual general meeting currently expected to be held on 14 May 2020 (the “AGM”), as the record date for the AGM was 16 April 2020.

Following issuance of the New Shares on 27 April 2020, the total number of ordinary shares that the Company has in issue is 148,689,705. The total number of voting rights of the Company is 148,689,705 and this figure may be used by shareholders as the denominator for the calculations by which they will determine if they are required to notify their interest in, or a change to their interest in, the Company.

Issue of Convertible Bonds

The Convertible Bonds will be issued and redeemed at 100% of their nominal value, with an interest rate of 1.25% payable semi-annually in arrear in equal instalments on 30 April and 30 October of each year, commencing on 30

October 2020, and will have a maturity of six years and a denomination of EUR 100,000 each. The initial conversion price of the Convertible Bonds will be set at EUR 121.80, representing a conversion premium of 40% above the issue price per New Share.

The Convertible Bonds may be converted into ordinary shares of the Company, subject to the approval at the AGM of the granting of rights to acquire ordinary shares of the Company and the exclusion of pre-emptive rights relating thereto to enable the issue of ordinary shares of the Company upon conversion of the Convertible Bonds (the "Shareholder Resolutions"). If the Shareholder Resolutions are not passed before 30 July 2020 (being three months following the Issue Date (as defined below) (the "Long-Stop Date")), then the Convertible Bonds will be redeemed in cash in accordance with the terms and conditions of the Convertible Bonds.

The Company will have the option to redeem all, but not some only, of the Convertible Bonds at their principal amount plus any accrued interest from 15 May 2023 (being the day falling three years and fifteen days after the Issue Date), should the value of an ordinary share of the Company exceed 150% of the conversion price over a certain period, and from 15 May 2024 (being the day falling four years and fifteen days after the Issue Date), should the value of an ordinary share of the Company exceed 130% of the conversion price over a certain period.

Settlement of the Convertible Bond issue is expected to take place on 30 April 2020 (the "Issue Date"). The Company will apply for the Convertible Bonds to be listed and admitted to trading on the Open Market (*Freiverkehr*) of the Frankfurt Stock Exchange no later than 30 days after the Issue Date. Settlement of each of the Placement and the Convertible Bond issue is not conditional on the occurrence of the other.

Standstill & lock-up

The Company and its subsidiaries are subject to lock-up undertakings ending 90 calendar days after the Issue Date, subject to customary exceptions, as well as waiver by the Banks (as defined below).

Prospectus

No prospectus is required in respect of the Placement or the offering of the Convertible Bonds and no prospectus or similar document will be published in connection with the Placement or the offering of the Convertible Bonds.

Syndicate

ABN AMRO, BofA Securities and ING acted as Joint Global Coordinators and Joint Bookrunners on the Capital Increase. BofA Securities, Société Générale and UBS Investment Bank acted as Joint Global Coordinators and Joint Bookrunners on the offering of the Convertible Bonds, alongside ABN AMRO and ING as Joint Bookrunners. Part of the net proceeds from the Capital Increase and the issue of Convertible Bonds will be used by the Company to partially pay down revolving credit facilities currently utilised by both Just Eat and Takeaway.com under which one or more of the Joint Global Coordinators and Joint Bookrunners are lenders.

Persons into whose possession this announcement comes are required by the Company and ABN AMRO Bank N.V., ING Bank N.V. and Merrill Lynch International and, in respect of the Convertible Bonds only, Société Générale and UBS AG London Branch (the "Banks") to inform themselves about, and to observe, any such restrictions. No reliance may be placed for any purpose on the information contained in this announcement or its accuracy or completeness.

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on Markets in Financial Instruments, as amended ("MiFID II"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (c) local implementing measures (together, the "MiFID II Product Governance Requirements"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (a "Manufacturer") (for the purposes of the MiFID II Product Governance Requirements) may otherwise have with respect thereto, the New Shares and Convertible Bonds have each been subject to a product approval process, which has determined that: (X) the New Shares are (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in MiFID II; and (ii) eligible for distribution through all distribution channels as are permitted by MiFID II and (Y) the Convertible Bonds are: (i) compatible with an end target market of investors who meet the criteria of professional clients and eligible counterparties, each as defined in MiFID II; and (ii) eligible for distribution

through all distribution channels as are permitted by MiFID II (each a "Target Market Assessment"). Any person subsequently offering, selling or recommending the New Shares or the Convertible Bonds (a "Distributor") should take into consideration the Manufacturers' relevant Target Market Assessment; however, each Distributor subject to MiFID II is responsible for undertaking its own Target Market Assessments in respect of the New Shares and the Convertible Bonds (by either adopting or refining the Manufacturers' Target Market Assessments) and determining, in each case, appropriate distribution channels. The Target Market Assessments are without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the New Shares and the Convertible Bonds. For the avoidance of doubt, the Target Market Assessments do not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the New Shares and/or the Convertible Bonds.

Each distributor is responsible for undertaking its own Target Market Assessment in respect of the New Shares and the Convertible Bonds and determining appropriate distribution channels.

The Convertible Bonds are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA or the United Kingdom. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; or (ii) a customer within the meaning of Directive (EU) 2016/97, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently no key information document required by Regulation (EU) No 1286/2014, as amended (the "PRIIPs Regulation") for offering or selling the Convertible Bonds or otherwise making them available to retail investors in the EEA or the United Kingdom has been prepared and therefore offering or selling the Convertible Bonds or otherwise making them available to any retail investor in the EEA or the United Kingdom may be unlawful under the PRIIPs Regulation.

Each of the Company and the Banks and their respective affiliates expressly disclaims any obligation or undertaking to update, review or revise any statement contained in this announcement whether as a result of new information, future developments or otherwise.

Each prospective investor should proceed on the assumption that it must bear the economic risk of an investment in the New Shares and/or the Convertible Bonds or the ordinary shares of the Company to be issued or transferred

and delivered upon conversion of the Convertible Bonds and notionally underlying the Convertible Bonds (the "Underlying Shares"). None of the Company or the Banks make any representation as to (i) the suitability of the New Shares, the Convertible Bonds or the Underlying Shares for any particular investor; (ii) the appropriate accounting treatment and potential tax consequences of investing in the New Shares, the Convertible Bonds or the Underlying Shares or (iii) the future performance of the New Shares, the Convertible Bonds or the Underlying Shares either in absolute terms or relative to competing investors.

In addition, the Banks and any of their affiliates may enter into financing arrangements (including swaps or contracts for differences) with investors in connection with which the Banks and any of their affiliates may from time to time acquire, hold or dispose of shares in the capital of the Company or other securities of the Company. The Banks do not intend to disclose the extent of any such investment or transactions otherwise than in accordance with any legal or regulatory obligations to do so.
